# Application and Registration Procedures

ENSAE Paris accepts nominations **only through the partner** by email at [relations-internationales@ensae.fr](mailto:relations-internationales@ensae.fr)  
In case you are not able to submit your nominations before the deadlines, please contact us directly by e-mail.

Students will receive a notification of admission 4 weeks after the application deadline.

## REQUIRED APPLICATION DOCUMENTS

The nominated students will be asked to send us by email the following documents:

- Transcripts of records
- Certificate of Bachelor
- A 1-page academic curriculum vitae
- Language certificate(s) (if any)
- Project of learning agreement (list of courses)

## COURSES *To be admitted to ENSAE Paris, candidates must have completed at least a 3-year bachelor*

Students can find all the details about the courses on our website:

<https://www.ensae.fr/en/education/ingenieur-ensae-program/first-year>

<https://www.ensae.fr/en/education/ingenieur-ensae-program/second-year>

<https://www.ensae.fr/en/education/ingenieur-ensae-program/third-year>

Language of tuition:

- 1st year (1A) : French

- 2nd year (2A): All the courses of the core curriculum are available in English and in French

- 3rd year (3A): Most courses are taught in English

Students should make their selection taking in consideration the courses that they have followed, and after the advice of their home institution supervisor.

Students should be aware that their selection has to be consistent with their academic level and their current academic year of enrolment. ENSAE Paris can assist you regarding courses pre-requisites and level.

## Notation scale: 0 to 20 points out of 20 points

## RECOMMENDED LANGUAGE SKILLS

Subject area	Languages of instruction	Recommended level
Mathematics Statistics Economics	French or English	B2

For the application, ENSAE Paris does not ask students to sit a French as a foreign language test. However, if the students want to follow classes that are taught in french, we expect the home university to make sure they have at least a B2 level in french. Otherwise, ENSAE Paris reserves the right to deny an admission if a student does not meet this requirement.

The language department of ENSAE Paris offers a French as a foreign language classes (subject to availability considering the number of exchange students enrolled) : 1.5 hours per week (3 ECTS)

## OTHER INFORMATIONS

ENSAE Paris has two coordinators for persons with disabilities:

- for students: [elisabeth.andreoletti-cheng@ensae.fr](mailto:elisabeth.andreoletti-cheng@ensae.fr)
- for staff : [beatrice.tartrou@ensae.fr](mailto:beatrice.tartrou@ensae.fr)

A transcript of records will be issued no later than five weeks after the end of the assessment period. To get their transcript of records, students can write an email to [info@ensae.fr](mailto:info@ensae.fr)

Information and assistance about health insurance, accommodation and visa can be provided by the Student Office. For more information, please contact: [vie-etudiante@ensae.fr](mailto:vie-etudiante@ensae.fr) | phone: +33 (0)1 70 26 66

### Health insurance

- All students must register to <https://etudiant-etranger.ameli.fr/>
- Students are strongly advised to subscribe to a french student mutuelle.
- EU citizens must be in possession of their EHIC card (European Health Insurance Card) before any mobility period.

For more information, please visit <https://www.ensae.fr/vie-ecole/pratique/>

### Accommodation

Students can find information about accommodation by visiting <https://www.ensae.fr/vie-ecole/logement/>. They can apply to ECLA CAMPUS on <https://www.ecla-campus.com/en/>.

### Visa procedure

- Citizens of the EU and of the EFTA (i.e. Iceland, Liechtenstein, Norway, and Switzerland) do not need a student visa.
- Students from all other countries should obtain a visa as soon as they receive their letter of admission.

### Public transport

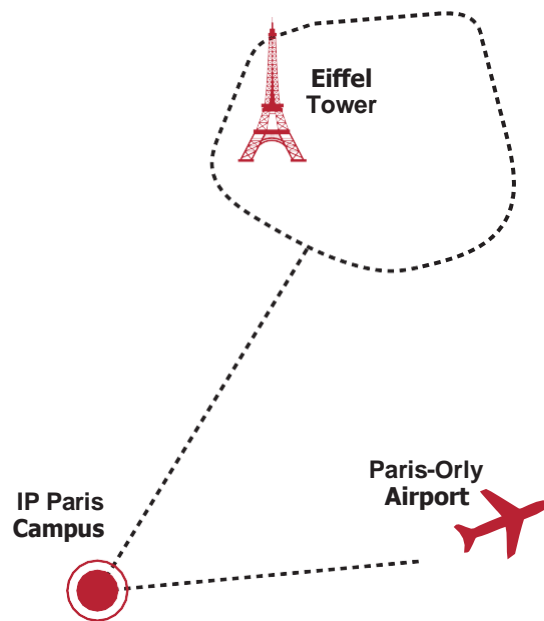

The Navigo "all zones" annual travel pass costs 84,10 € per month. It allows you unlimited use of the public transport networks in Paris and the Île-de-France region (metro, RER, bus, tramway and train).

### Le Bureau des Internationaux (Bureau for International Students)

This student union was created to help international students who come to study at ENSAE Paris to settle in and help them make the most of their experience in France. A variety of activities are organised by students from all around the world, international and French students, starting before the first term of the year.

Contact: [bdi@ensae.fr](mailto:bdi@ensae.fr)

*Just 20 km south of Paris, ENSAE Paris is located on the campus of the Institut Polytechnique de Paris, a scientific and technical hub that offers a world-class scientific environment, thanks to the presence of public and private research centers as well as technological firms.*
